ABC TECHNOLOGIES HOLDINGS INC.

Notice of Annual General Meeting of Shareholders December 15, 2022

NOTICE IS HEREBY GIVEN that the annual general meeting (the “**Meeting**”) of the holders of common shares (“**Common Shares**”) in the capital of ABC Technologies Holdings Inc. (the “**Corporation**”) will be held virtually via live audio webcast available online at <https://meetnow.global/M74D95P> on, December 15, 2022 at 9:00 a.m. (Toronto time) for the following purposes:

- (a) to receive the audited consolidated financial statements for the fiscal year ended June 30, 2022 and the auditors’ report thereon, a copy of which is enclosed herewith (the “**Financial Statements**”);
- (b) to elect directors to the board of directors of the Corporation (the “**Board**”);
- (c) to re-appoint auditors and to authorize the Board to fix their remuneration;
- (d) to consider and, if deemed advisable, adopt, on an advisory basis, a resolution accepting the Corporation’s approach to executive compensation, as more fully described in the accompanying management information circular; and
- (e) to transact such other business as may properly come before the Meeting or any adjournment thereof.

The specific details of the foregoing matters to be put before the Meeting are set forth in the Management Information Circular dated November 4, 2022 (the “**Circular**”) accompanying this Notice of Meeting.

The Meeting will be held in a virtual only format, which will be conducted via live audio webcast available online at <https://meetnow.global/M74D95P>. Registered Shareholders (as this term is used in the Circular) and duly appointed proxyholders will, on the website, be able to participate in the Meeting, submit questions and vote their Common Shares while the Meeting is being held. We hope that hosting a virtual meeting helps enable greater participation by our Shareholders (as this term is used in the Circular) by allowing Shareholders that might not otherwise be able to travel to a physical meeting to attend online.

Shareholders who wish to appoint a third-party proxyholder to represent them at the online Meeting must submit their proxy or voting instruction form (as applicable) prior to registering their proxyholder. To register a proxyholder, Shareholders **MUST** visit <http://www.computershare.com/ABCTechnologies> by December 13, 2022 at 9:00 a.m. (Toronto time) and provide Computershare Investor Services Inc. (“**Computershare**”) with their proxyholder’s contact information, so that Computershare may provide the proxyholder with an Invitation Code via email.

In connection with the Meeting, the Corporation has elected to use the Canadian Securities Administrators’ “notice-and-access” delivery model, which allows the Corporation to furnish the Circular, the accompanying proxy-related materials, the Financial Statements and associated management’s discussion and analysis (collectively, the “**Meeting Materials**”) to Shareholders over the internet, resulting in lower costs and a reduction in the environmental impact of the Meeting. Under notice-and-access, Shareholders will continue to receive a proxy or voting instruction form

enabling them to vote at the Meeting; however, instead of a paper copy of the Meeting Materials, Shareholders will receive a notice with information on how they may access the Meeting Materials electronically. On or about November 8, 2022, the Corporation intends to mail Shareholders of record as of November 4, 2022 a notice with information about the notice-and-access process and voting instructions, instructions on how to access the Meeting Materials and on how to attend the Meeting virtually as well as a proxy or voting instruction form. **Shareholders are reminded to review the Circular prior to voting.** Shareholders with questions about notice-and-access can call Computershare toll free at 1-866-964-0492. The Meeting Materials can be viewed online at the following internet address: <https://abctechnologies.com/investors/events-presentations/events/annual-general-meetings/fiscal-year-2022-annual-general-meeting/> or under the Corporation's profile on SEDAR at www.sedar.com. Please note that if you request a paper copy of the Circular, you will not receive a new form of proxy or voting instruction form, so you should retain these forms sent to you in order to vote. In order to receive a paper copy of the Meeting Materials so as to be able to review in time to vote before the Meeting, your request should be received by close of business on December 2, 2022.

If you are a registered Shareholder (a **"Registered Shareholder"**), whether or not you plan to attend the Meeting, you are requested to complete, sign, date and return the enclosed form of proxy to Computershare, the transfer agent, registrar and dividend distribution agent of the Common Shares. **To be valid, proxies must be deposited with Computershare, at 100 University Avenue, Toronto, Ontario M5J 2Y1 or over the internet at www.investorvote.com no later than 9:00 a.m. (Toronto time) on December 13, 2022, or 48 hours (excluding Saturdays, Sundays and holidays) prior to the time set for such adjournment or postponement of the Meeting. The deadline for the deposit of proxies may be waived or extended by the Chair of the Meeting at their discretion, without notice.**

If you are a non-Registered Shareholder (for example, if you hold your Common Shares in an account with a broker, dealer or other intermediary), whether or not you plan to attend the Meeting, you should complete and send the form of proxy or voting instruction form, as applicable, in accordance with the instructions provided by your broker or intermediary. These instructions include the additional step of registering proxyholders with Computershare, the transfer agent, registrar and dividend distribution agent of the Common Shares, after submitting your form of proxy or voting instruction form. Failure to register the proxyholder with our transfer agent will result in the proxyholder not receiving an Invitation Code required to participate in the Meeting and only being able to attend as a guest. Non-Registered Shareholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as guests but will not be able to vote or submit questions at the Meeting. Please refer to the voting instructions provided in the "Appointment of Proxyholder and Revocation of Proxies" section of the accompanying Circular and call your broker, investment dealer or other intermediary for information on how you can vote your Common Shares.

The Board has fixed November 4, 2022 as the record date for the determination of Shareholders entitled to receive notice of and vote at the Meeting. Any Shareholder that has acquired Common Shares after the record date will not be entitled to receive notice of or vote those Common Shares at the Meeting.

DATED at Toronto, Ontario this 4th day of November, 2022.

BY ORDER OF THE BOARD OF DIRECTORS

(signed) "James Voss"

James Voss, Chairman of the Board

ABC TECHNOLOGIES HOLDINGS INC.

MANAGEMENT INFORMATION CIRCULAR

This Management Information Circular (the “**Circular**”) dated November 4, 2022, is furnished in connection with the solicitation, by or on behalf of the management of ABC Technologies Holdings Inc. (“**ABC**” or the “**Corporation**”), of proxies to be used at the Corporation’s annual general meeting of the holders of common shares (the “**Common Shares**”) for the purposes set forth in the Notice of Annual General Meeting of shareholders of the Corporation (the “**Shareholders**”) accompanying this Circular. The annual general meeting of Shareholders, or any adjournment(s) or postponements(s) thereof (the “**Meeting**”), will be held **virtually via live audio webcast available online at <https://meetnow.global/M74D95P>** on December 15, 2022 at 9:00 a.m. (Toronto time).

General Information

Our audited consolidated financial statements for the year ended June 30, 2022 (the “**Annual Financial Statements**”) are presented in United States dollars and are prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board. In this Circular, unless otherwise specified, all references to “\$”, “US\$”, “dollars” or “U.S. dollars” are to United States dollars and all references to “C\$” are to Canadian dollars. Certain totals, subtotals and percentages throughout this Circular may not precisely reconcile due to rounding.

Corporate Background

ABC was incorporated under the *Business Corporations Act* (Ontario) on January 11, 2016, under the name ABC Group Holdings Parent Inc., and was continued into British Columbia under the same name pursuant to the *Business Corporations Act* (British Columbia) (“**BCBCA**”) on December 18, 2018. On January 22, 2021, the Corporation changed its name from “ABC Group Holdings Parent Inc.” to “ABC Technologies Holdings Inc.”, in connection with its initial public offering (the “**IPO**”) of Common Shares in the capital of the Corporation. Following the closing of the IPO, ABC became a “reporting issuer” in each of the provinces and territories of Canada and the Common Shares began trading on the Toronto Stock Exchange (the “**TSX**”).

On June 24, 2021, the Corporation announced that ABC Group Canada LP (“**ABC LP**”), former majority shareholder of the Corporation, closed a transaction (the “**Apollo Transaction**”) involving the sale of its majority stake in the Corporation to AP IX Alpha Holdings (Lux) S.à.r.l. (“**Alpha Holdings**”), an affiliate of certain funds managed by affiliates of Apollo Global Management, Inc. (“**Apollo**”), pursuant to a share purchase agreement dated April 12, 2021 (the “**Apollo Purchase Agreement**”). Under the terms of the Apollo Purchase Agreement, Alpha Holdings purchased 51% of the then outstanding Common Shares (on a fully diluted basis) from ABC LP at the price of C\$10.00 per Common Share. For more information on the Apollo Transaction, see the Apollo Purchase Agreement and the material change reports dated April 23, 2021, and June 28, 2021, which have been filed under the Corporation’s profile on SEDAR at www.sedar.com.

On November 10, 2021, the Corporation announced that Oaktree Capital Management, L.P. (“**Oaktree**”) through OCM Luxembourg OPPS XI S.à.r.l. (“**OPPS XI**”) and OCM Luxembourg OPPS XB S.à.r.l. (“**OPPS XB**” and together with OPPS XI, the “**Oaktree Funds**”), which are affiliates of certain funds and accounts managed by Oaktree, completed a transaction (the “**Oaktree Transaction**”) pursuant to which the Oaktree Funds acquired 13,854,412 Common Shares (representing approximately 26.4% of the then issued and outstanding Common Shares (on a non-diluted basis) (the “**Oaktree Transaction Shares**”) from ABC LP at a price per share equal to C\$9.00 per Oaktree Transaction Share, for aggregate consideration of C\$124,689,708, pursuant to the terms

of a share purchase agreement dated September 10, 2021 (the “**Oaktree Purchase Agreement**”) between the Oaktree Funds and ABC LP. Following the closing of the Oaktree Transaction, ABC LP ceased to be a Shareholder. For more information on the Oaktree Transaction, see the news release of the Corporation dated November 10, 2022, which has been filed under the Corporation’s profile on SEDAR at www.sedar.com.

Our head office is located at 2 Norelco Drive, Toronto, Ontario, Canada M9L 2X6 and our registered and records office is located at Suite 2600 – 595 Burrard Street, Vancouver, British Columbia, Canada V7X 1L3.

SOLICITATION OF PROXIES

Solicitation of Proxies

It is expected that the solicitation of proxies will be primarily by mail pursuant to “notice-and-access” (as further described below), but proxies may also be solicited personally, in writing or by telephone, email, internet, facsimile or other means of communication by representatives of the Corporation at nominal cost. The Corporation may also engage a third party to provide proxy solicitation services on behalf of management in connection with the solicitation of proxies for the Meeting. The cost of solicitation by management will be borne directly by the Corporation and will bear the legal, printing and other costs associated with the preparation of this Circular. The Corporation will reimburse investment dealers, brokers, banks, custodians, nominees and other fiduciaries for permitted fees and costs incurred by them in mailing soliciting materials to the beneficial owners of Common Shares, in accordance with National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”).

If you cannot attend the Meeting, complete and return the enclosed form of proxy in accordance with the instructions contained therein. Shareholders may also elect to vote by use of the internet in accordance with the instructions on the applicable form of proxy.

NOTICE-AND-ACCESS

The Corporation has elected to utilize the Canadian Securities Administrators’ “notice-and-access” delivery model for distribution of this Circular (along with the Annual Financial Statements for the year ended June 30, 2022, and the report of the auditors thereon, as well as the related management’s discussion and analysis) to registered and beneficial Shareholders. Notice-and-access is a set of rules that allows issuers to post electronic versions of proxy-related materials (such as proxy circulars) online, under the Corporation’s profile on SEDAR at www.sedar.com and one other website, rather than mailing paper copies of such materials to Shareholders. Notice-and-access directly benefits the Corporation through a substantial reduction in both postage and printing costs and also promotes environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

The Circular is available on the Corporation’s website at <https://abctechnologies.com/investors/events-presentations/events/annual-general-meetings/fiscal-year-2022-annual-general-meeting> and will remain there for one full year thereafter. The Circular will also be available under the Corporation’s profile on SEDAR at www.sedar.com. The Corporation will not use procedures known as “stratification” in relation to the use of the notice-and-access delivery model. Stratification occurs when a reporting issuer using notice-and-access provides a paper copy of the management information circular to some Shareholders with the notice package. In relation to the Meeting, all of the non-registered Shareholders of the Corporation will receive the required documentation under notice-and-access, which will not include a paper copy of this Circular.

Shareholders are reminded to review this Circular before voting.

In accordance with the requirements of NI 54-101, the Corporation has distributed a notice and either a proxy form or voting instruction form (collectively, the “**Notice Package**”) to the registered Shareholder (the “**Registered Shareholder**”), to certain non-Registered Shareholders, to clearing agencies and Intermediaries (as defined below) for onward distribution to other non-Registered Shareholders, of the internet website location where Shareholders may access the notice of Meeting, this Circular and the instrument of proxy (collectively, the “**Meeting Materials**”).

The Corporation will pay for Intermediaries to forward the Notice Package and, if applicable, the Meeting Materials to objecting beneficial owners (as defined in NI 54-101) to whom the Corporation has not sent Notice Packages directly. Intermediaries are required to forward the Notice Package and, if applicable, the Meeting Materials to such non-Registered Shareholders except for those non-Registered Shareholders who have waived their right to receive Meeting Materials. Typically, Intermediaries will use a service company (such as Broadridge Financial Services Inc.) to forward the Notice Package to non-Registered Shareholders.

Registered shareholders and beneficial holders of Common Shares may obtain paper copies of the Meeting Materials by postal delivery at no cost to them. Requests may be made up to one year from the date the Circular was filed on SEDAR. If you wish to receive a paper copy of the Meeting Materials, please contact Computershare by calling Toll Free, within North America – 1-866-962-0498 or direct, from Outside of North America – (514) 982-8716 and entering your control number as indicated on your form or proxy. In order to receive a paper copy of the Meeting Materials so as to be able to review in time to vote before the Meeting, your request should be received by close of business on December 2, 2022. If you have questions about notice-and-access please contact Computershare by calling 1-866 964-0492.

APPOINTMENT OF PROXYHOLDER AND REVOCATION OF PROXIES

Each of the persons named in the enclosed form of proxy is a director (each, a “**Director**”) of the Board of Directors of the Corporation (the “**Board**”) and/or officer of the Corporation. **Each Shareholder has the right to appoint as proxyholder a person or company (who need not be a Shareholder) other than the person(s) designated by management of the Corporation in the enclosed form of proxy to attend and act on the Shareholder’s behalf at the Meeting or at any adjournment thereof.** A Shareholder who wishes to appoint some other person to represent it, him or her at the Meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy, or by completing and signing another proper form of proxy, and, in either case, then registering the proxyholder at <http://www.computershare.com/ABCTechnologies> (please see “Instructions for Attending and Voting Virtually at the Meeting — Registration of Proxyholders” below for details). Securities represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the securities will be voted accordingly.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and delivered to the Corporation’s transfer agent, registrar and dividend distribution agent, Computershare, (Attention: Proxy Department), 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 prior to 9:00 a.m. (Toronto time) on December 13, 2022, before the Meeting or any adjournment(s) thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

A Shareholder may revoke a proxy at any time by an instrument in writing executed by him or her or, if the Shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized in writing, and by sending it to the same address where the form of proxy was sent and within the delays mentioned therein, or two (2) business days preceding the date the Meeting resumes if it is adjourned, or by delivering it to the Chairman of such Meeting on the day of the Meeting or any adjournment thereof.

Rather than returning the form of proxy, Registered Shareholders may also elect to vote via the internet. Those Registered Shareholders electing to vote by telephone require a touch-tone telephone to transmit their voting preferences. Registered Shareholders electing to vote by telephone or via the internet must follow the instructions included in the form(s) of proxy received from the Corporation.

If a Shareholder who has submitted a proxy attends the Meeting via live webcast using a 15-digit "Control Number" or Invitation Code and accepts the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot will be counted and the submitted proxy will be disregarded (please see the information under the heading "Instructions for Attending and Voting Virtually at the Meeting" below for details).

Voting of Proxies and Exercise of Discretion by Proxyholder

On any ballot that may be called for, the Common Shares represented by a properly executed proxy given in favour of the person(s) designated by management of the Corporation in the enclosed form of proxy or voting instruction form will be voted or withheld from voting in accordance with the instructions given on the form of proxy or voting instruction form, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted for, against, or withheld from voting, accordingly.

In the absence of such instructions, Common Shares represented by a proxy will be voted for, against, or withheld from voting, in the discretion of the persons designated in the proxy. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying Notice of Meeting and with respect to other matters which may properly come before the Meeting or any adjournment thereof.

As of the date of this Circular, management of the Corporation is not aware of any such amendment, variation or other matter to come before the Meeting. However, if any amendments or variations to matters identified in the accompanying Notice of Meeting or any other matters which are not now known to management should properly come before the Meeting or any adjournment thereof, the Common Shares represented by properly executed proxies given in favour of the person(s) designated by management of the Corporation in the enclosed form of proxy will be voted on such matters pursuant to such discretionary authority. Unless otherwise required by law or other provisions binding upon the Corporation, any matter coming before the Meeting, or any adjournment(s) thereof, shall be decided by the majority of the votes duly cast in respect of the matter by Shareholders entitled to vote thereon.

Voting Virtually at the Meeting

A Registered Shareholder, or a non-Registered Shareholder who has appointed themselves or a third-party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Computershare, the transfer agent and registrar for the Meeting. To have their Common Shares voted at the Meeting, each Registered Shareholder or proxyholder will be required to enter their control number or Invitation Code provided by Computershare at <https://meetnow.global/M74D95P> prior to the start of the Meeting. In order to vote, non-Registered Shareholders who appoint themselves as a proxyholder **MUST** register with Computershare at <http://www.computershare.com/ABCTechnologies> after submitting their voting instruction form in order to receive an Invitation Code (please see the information under the headings “Appointment of Proxies” below for details).

Appointment of Proxies

Shareholders who wish to appoint a third-party proxyholder to represent them at the online Meeting **must submit their proxy or voting instruction form (if applicable) prior to registering your proxyholder. Registering your proxyholder is an additional step once you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving an Invitation Code to participate in the Meeting.** To register a proxyholder, shareholders **MUST** visit <http://www.computershare.com/ABCTechnologies> by December 13, 2022 at 9:00 a.m. (Toronto time) and provide Computershare with their proxyholder’s contact information, so that Computershare may provide the proxyholder with an Invitation Code via email.

A proxy can be submitted to Computershare either in person, or by mail or courier, to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or via the internet at www.investorvote.com.

The proxy must be deposited with Computershare by no later than 9:00 a.m. (Toronto time) on December 13, 2022, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed Meeting. If a shareholder who has submitted a proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such shareholder on a ballot will be counted and the submitted proxy will be disregarded.

Without an Invitation Code, proxyholders will not be able to vote at the Meeting.

Non-Registered Shareholders

A Shareholder is a non-Registered Shareholder if the Shareholder's Common Shares are registered either in the name of (in each case, an "**Intermediary**"):

- (a) an Intermediary that the non-Registered Shareholder deals with in respect of the Common Shares, such as, among others, a bank, trust company, securities dealer or broker, director or administrator of RRSPs, RRIFs, RESPs and similar plans; or
- (b) a clearing agency (such as CDS & Co.) of which the Intermediary is a participant.

In accordance with NI 54-101, the Corporation is distributing copies of materials related to the Meeting to Intermediaries for distribution to non-Registered Shareholders and such Intermediaries are to forward the materials related to the Meeting to each non-Registered Shareholder (unless the non-Registered Shareholder has declined to receive such materials). Such Intermediaries often use a service company (such as Broadridge Investor Communication Solutions in Canada ("**Broadridge**")), to permit the non-Registered Shareholder to direct the voting of the Common Shares held by the Intermediary, on behalf of the non-Registered Shareholder. The Corporation is paying Broadridge to deliver, on behalf of the Intermediaries, a copy of the Meeting Materials to each "objecting beneficial owner" and each "non-objecting beneficial owner" (as such terms are defined in NI 54-101).

If a Non-Registered Shareholder Does Not Wish to Attend the Meeting

Non-Registered Shareholders who do not wish to attend the Meeting should carefully follow the instructions on the voting instruction form that they receive from their Intermediary in order to vote the Common Shares that are held through that Intermediary. Non-Registered Shareholders should submit voting instructions to their Intermediaries in sufficient time to ensure that their votes are received from the Intermediaries by the Corporation.

If a Non-Registered Shareholder Wishes to Attend and Vote at the Meeting

Since the Corporation generally does not have access to the names of its non-Registered Shareholders, non-Registered Shareholders who wish to attend and vote at the Meeting should insert their own name in the blank space provided in the voting instruction form to appoint themselves as proxyholders and then follow their Intermediary's instructions for returning the voting instruction form.

Registering your proxyholder is an additional step once you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving an Invitation Code to participate in the Meeting.

Without an Invitation Code (described above), proxyholders will not be able to vote at the Meeting.

If a Non-Registered Shareholder Wishes to Revoke Voting Instructions

A non-Registered Shareholder may revoke previously given voting instructions by contacting their Intermediary and complying with any applicable requirements imposed by such Intermediary. An Intermediary may not be able to revoke voting instructions if it receives insufficient notice of revocation.

RECORD DATE AND QUORUM

The Board has fixed November 4, 2022, as the record date (the “**Record Date**”) for the purpose of determining holders of Common Shares entitled to receive notice of and to vote at the Meeting. Any holder of Common Shares of record at the close of business on the Record Date is entitled to vote the Common Shares registered in such Shareholder’s name at that date on each matter to be acted upon at the Meeting. Accordingly, any Shareholder that has acquired Common Shares after the Record Date will not be entitled to receive notice of or vote those Common Shares at the Meeting.

The quorum at the Meeting or any adjournment or postponement thereof (other than at an adjournment or postponement for lack of quorum) is two persons who are, or who are represented by proxy, being shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation’s authorized share capital consists of an unlimited number of Common Shares. As at the date hereof, there are 115,660,487 Common Shares outstanding, each carrying the right to one vote per share. Holders of Common Shares as at the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held. Except as otherwise noted in this Circular, a simple majority of the votes cast at the Meeting, whether in person, by proxy or otherwise, will constitute approval of any matter submitted to a vote.

To the knowledge of the Directors and executive officers of the Corporation, as at the date of this Circular no person beneficially owned, directly or indirectly, or exercised control or direction over 10% or more of the voting rights attached to the outstanding Common Shares except as stated below.

Name	Aggregate Number of Common Shares	Type of Ownership	Percentage of Outstanding Common Shares⁽¹⁾
Alpha Holdings	75,247,627	Beneficial	65.1%
Oaktree ⁽²⁾	32,779,246	Beneficial	28.3%

(1) On a non-diluted basis.

(2) 26,471,372 Common Shares are beneficially owned by Oaktree through OPPS XI and 6,307,874 Common Shares are beneficially owned by Oaktree through OPPS XB.

Amended and Restated Investors’ Rights Agreement

Upon the closing of the Apollo Transaction, ABC, ABC LP and Alpha Holdings entered into an amended and restated investors’ rights agreement (the “**Amended and Restated Investors’ Rights Agreement**”), amending and restating the investor rights agreement dated February 22, 2021 between ABC and ABC LP, which was entered into in connection with the closing of the IPO. The Amended and Restated Investors’ Rights Agreement provides Alpha Holdings and ABC LP with,

among other things, certain Director nomination rights, registration rights, pre-emptive rights and information right. The Amended and Restated Investors' Rights Agreement provides that Alpha Holdings (including its permitted affiliates) is initially entitled to nominate five (5) of our nine (9) Directors and will continue to be entitled to nominate such number of our Directors for so long as it owns, controls or directs at least 50% or more of our outstanding Common Shares (on a non-diluted basis), provided that the number will be reduced:

- (d) to one (1) Director for so long as Alpha Holdings (including its permitted affiliates) owns, controls or directs less than 10% but 5% or more of the outstanding Common Shares (on a non-diluted basis); and
- (e) no Directors once Alpha Holdings (including its permitted affiliates), owns, controls or directs less than 5% of the outstanding Common Shares (on a non-diluted basis).

The Amended and Restated Investors' Rights Agreement also provides that OPPS XI (including its permitted affiliates), following the assignment of ABC LP's rights to OPPS XI in connection with the closing of the Oaktree Transaction, is initially entitled to nominate three (3) of our nine (9) Directors and will continue to be entitled to nominate such number of our Directors for so long as it owns, controls or directs at least 20% or more of our outstanding Common Shares (on a non-diluted basis), provided that the number will be reduced:

- (a) to two (2) Directors for so long as ABC LP (including its permitted affiliates) owns, controls or directs less than 20% but 10% or more of the outstanding Common Shares (on a non-diluted basis);
- (b) to one (1) Director for so long as ABC LP (including its permitted affiliates) owns, controls or directs less than 10% but 5% or more of the outstanding Common Shares (on a non-diluted basis); and
- (c) to no Directors for once ABC LP (including its permitted affiliates) owns, controls or directs less than 5% of the outstanding Common Shares (on a non-diluted basis).

For so long as either Alpha Holdings or OPPS XI has the right to nominate a Director, the Board shall not be comprised of more than nine (9) Directors unless agreed to by Alpha Holdings

and OPPS XI. Further, for as long as Alpha Holdings has the right to nominate at least three (3) Directors, it shall be entitled to have one (1) Director nominee serve as Chairperson of the Board.

Following the closing of the Apollo Transaction, Alpha Holdings elected to nominate James Voss, Michael Reiss, Jonathan Williams, Brooke Sorensen, and Barry Engle to the Board. Following the closing of the Oaktree Transaction, OPPS XI has elected to nominate Burt Jordan, Mel Carlisle and Patrick C. George to the Board, who replaced ABC LP's nominees of Dev Kapadia, Lucas Batzer and James Bernard.

Advance Notice Provisions

The Corporation's Articles include certain advance notice provisions with respect to the election of our Directors (the "**Advance Notice Provisions**"). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings of our Shareholders; (ii) ensure that all Shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow Shareholders to register an informed vote. Only persons who are nominated by Shareholders in accordance with the Advance Notice Provisions will be eligible for election as Directors at any annual meeting of Shareholders, or at any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of Directors: (a) by or at the discretion of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more Shareholders pursuant to a "proposal" made in accordance with the provisions of the BCBCA, or a requisition of the Shareholders made in accordance with the provisions of the BCBCA; or (c) by any Nominating Shareholder (as defined below).

The Advance Notice Provisions also stipulate that certain information about any proposed nominee and the Nominating Shareholder be included in such a notice in order for it to be valid.

Re-appointment of Independent Auditors

KPMG LLP is the current auditor of the Corporation and were first appointed as auditor of the Corporation on March 21, 2018. At the Meeting, Shareholders will be asked to re-appoint KPMG LLP as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix the auditors' remuneration.

The audit committee of the Board (the "**Audit Committee**") has recommended to the Board, and the Board has approved, the nomination of KPMG LLP for such appointment.

The Board recommends that Shareholders vote FOR the re-appointment of KPMG LLP as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and the authorization of the Board to fix the remuneration of the auditors. **In the absence of a contrary instruction, the person(s) designated by management of the Corporation in the enclosed form of proxy intend to vote FOR the re-appointment of KPMG LLP as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and the authorization of the Board to fix the remuneration of the auditors.**

Say-on-Pay Advisory Resolution

Since 2021, the Board determined to provide Shareholders with an annual non-binding advisory vote on executive compensation (commonly referred to as "**Say on Pay**"). The purpose of the "Say on Pay" advisory vote is to give Shareholders a formal opportunity to provide their views on the disclosed objectives of the executive compensation plans, and on the plans themselves.

The primary objectives of the Corporation's executive compensation program are to (i) attract, motivate and retain the best executive officers with the skills necessary to successfully manage our business, and (ii) align the interests of our executive officers with Shareholders by rewarding them for strong company performance. We offer executive officers cash compensation in the form of base salary, annual bonus, and at-risk equity-based or equity-like compensation.

In addition, we may award long-term incentives consisting of Options (as defined below) and other equity-based awards, such as restricted share units ("**Restricted Share Units**" or "**RSUs**") of the Corporation, under our Omnibus Incentive Plan (as defined below) and other equity-based plans which were adopted concurrently with the completion of our IPO. We believe that equity-based compensation awards help to motivate our executive officers to achieve our strategic business and financial objectives, and also align their interests with the long-term interests of our shareholders. While we believe that our expected executive officer compensation program is effective at attracting, retaining and motivating the talent we need, we regularly evaluate our compensation practices on an ongoing basis to ensure that we provide competitive compensation opportunities for our executive team. For a detailed discussion of the Corporation's executive compensation program, please see "Executive Compensation".

At the Meeting Shareholders will be asked to vote on a non-binding advisory "Say-on-Pay", by passing the following resolution:

“RESOLVED THAT:

1. On an advisory basis, and not to diminish the role and responsibilities of the board of directors of ABC Technologies Holdings Inc. (the “**Corporation**”), the holders (the “**Shareholders**”) of the common shares in the capital of the Corporation accept the approach to executive compensation disclosed in the Management Information Circular of the Corporation dated November 4, 2022, delivered in advance of the Corporation’s Annual General Meeting of the Shareholders of the Corporation.”

As this is an advisory vote, the results will not be binding upon the Board. However, the Board will take the results of the vote into account, as appropriate, when considering future compensation policies, procedures and decisions in determining whether there is a need to significantly increase their engagement with Shareholders on compensation and related matters. The Corporation will disclose the results of the Shareholder “Say on Pay” advisory vote as a part of its report on voting results for the Meeting.

The Board recommends that Shareholders vote FOR the approach to executive compensation as described in the Circular. **In the absence of a contrary instruction, the person(s) designated by management of the Corporation in the enclosed form of proxy intend to vote FOR the approach to executive compensation as described in the Circular.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Circular, none of the Directors or executive officers of the Corporation, nominees for election as Directors, nor persons who have been Directors or executive officers of the Corporation since the commencement of the Last Financial Year (as defined below) and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of Directors.

EXECUTIVE COMPENSATION

All dollar amounts in this Circular are expressed in Canadian dollars unless otherwise indicated.

Named Executive Officers

The following discussion describes the significant elements of the compensation in the financial year of the Corporation ended June 30, 2022, of our former Chief Executive Officer, Chief Financial Officer, former Chief Operating Officer, former Chief Commercial Officer and Chief Human Resources Officer (collectively, the “**Named Executive Officers**” or “**NEOs**”), namely:

- Todd Sheppelman, former Chief Executive Officer;
- David Smith, Chief Financial Officer;
- Paer Malmhagen, former Chief Operating Officer;
- Stuart Greidanus, former Chief Commercial Officer; and
- David Ellacott, Chief Human Resources Officer.

The reader should note that Mr. Malmhagen resigned as the Corporation's Chief Operating Officer on April 29, 2022. Mr. Sheppelman ceased serving the Corporation's Chief Executive Officer effective August 16, 2022, and Mr. Greidanus ceased acting as the Company's Chief Commercial Officer effective September 19, 2022. Their respective replacement, namely Mr. Campbell, in his capacity as the Corporation's Chief Executive Officer, and Messrs. Mike Fritts as the Corporations' Executive Vice President, Operations, Mr. Leonard Roelant, as the Corporations' Executive Vice President, Customer Experience, Mr. Philip Grella as the Corporation's Executive Vice President, Product & Process Engineering have been appointed to their respective positions following the completion of the financial year of the Corporation ended June 30, 2022, and therefore their compensation is not reflected in this section of the Circular.

Compensation Objectives and Philosophy

The primary objectives of our compensation program are to (i) attract, motivate and retain the best executive officers with the skills necessary to successfully manage our business, and (ii) align the interests of our executive officers with shareholders by rewarding them for strong company performance.

ABC offers executive officers cash compensation in the form of base salary, annual bonus, and at-risk equity-based or equity-like compensation. In addition, ABC awards long-term incentives consisting of Options and other equity-based awards such as RSUs and may award other equity-based awards under our omnibus long-term incentive plan dated February 22, 2021 (the "**Omnibus Incentive Plan**"). We believe that equity-based compensation awards help to motivate our executive officers to achieve our strategic business and financial objectives, and also align their interests with the long-term interests of our shareholders. While we believe that our executive officer compensation program is effective at attracting, maintaining and motivating the talent we need, we are and will be regularly evaluating our compensation practices on an ongoing basis to ensure that we provide competitive compensation opportunities for our executive team.

While we have an established compensation philosophy and compensation program, we will continue to evaluate our compensation philosophy and compensation program as circumstances require, which may include the periodic review of our compensation program and the mix of components made available to our executive team. As part of this review process, we are guided by the objectives and philosophy outlined above, as well as other factors which may become relevant, such as the evolution and growth of our business and the cost of replacing or enhancing our talent composition as needs may require.

Compensation Committee

The Compensation Committee is responsible for overseeing ABC's compensation policies, processes and practices. Concurrently with the completion of our IPO, the Board adopted a written charter for the Compensation Committee dated February 22, 2021, setting out its responsibilities for administering our compensation program and reviewing and making recommendations to the Board concerning the level and nature of the compensation payable to executive officers. The Compensation Committee's oversight includes setting objectives, evaluating performance, and ensuring that total compensation paid to NEOs and various other key executive officers and key managers is fair, reasonable and consistent with the objectives and philosophy of our compensation program.

Compensation Consultant

Corporation retained the services of Meridian Compensation Partners, LLC, (“**Meridian**”) a consulting firm which since December 2020 has been providing independent advice to the Corporation with respect to executive and Director compensation matters, to (i) review the competitiveness of the Corporation’s executive compensation, (ii) develop a long-term incentive plan strategy and program, (iii) benchmark the key compensation related provisions of the executive employment agreements, (iv) perform a Board compensation review, and (v) prepare compensation risk assessment.

The provision of any services by Meridian to the Corporation in addition to any executive compensation-related services did not require the pre-approval of the Board or the Compensation Committee.

Risk and Executive Compensation

Executive Share Ownership Guidelines

All of our executive officers, including the NEOs, are expected to maintain a significant equity investment in the Corporation to align their interests with those of our shareholders, and mitigate against the likelihood of undue risk-taking. We have established executive share ownership guidelines which require minimum equity ownership levels for executive officers based on a multiple of their base salary and their level of seniority. The share ownership target for the Corporation’s CEO is four (4) times his or her base salary and the share ownership target for all other NEOs is three (3) times their base salary. While there is no set time period to achieve the share ownership targets, until the targets are achieved the NEOs are required to retain at least 50% of net shares (after tax) of each equity grant made to them under the Corporation’s equity incentive plans. Common Shares and the value of RSUs (calculated at grant) will be included in determining an individual’s ownership value. The Compensation Committee ensures that compensation policies and practices provide an appropriate balance of risk and reward consistent with ABC’s risk profile.

Trading Restrictions

All of our Directors, executive officers and certain other employees are subject to our Insider Trading Policy (the “**Insider Trading Policy**”), which prohibits trading in our securities while in

possession of material undisclosed information about us. Under this policy, such individuals are also prohibited from entering into hedging transactions involving our securities, such as short sales, puts and calls. Furthermore, ABC permits such individuals, including the NEOs, to trade in our securities only during prescribed trading windows and otherwise in compliance with our Insider Trading Policy and applicable securities laws.

Clawback Policy

On February 22, 2021, we adopted a clawback policy (the “**Clawback Policy**”) relating to annual bonus payments and long-term incentive awards to executive officers, including the NEOs, that may be triggered if an executive officer engages in misconduct that results in the need to restate our financial statements where the individual received an award calculated on the achievement of those financial statements and the award received would have been lower had the financial statements been properly reported. The Clawback Policy also provides that a clawback may be triggered if an executive officer commits a material breach of the Code of Conduct (defined below). The policy requires that when the clawback is triggered, the executive officer must repay all of the incentive payments received over a specified period preceding the triggering event.

Compensation benchmarked

Meridian, independent compensation adviser to the Corporation, guides the Compensation Committee in assessing the compensation the Corporation offers to its officers and key employees. As part of such guidance, the Corporation benchmarked its executive compensation against a comparator group consisting of a number of companies operating in the Auto Parts & Equipment industry in North America, most of which compete with the Corporation for talent. The comparator group includes companies operating both in Canada and United States (in order to correlate with the Corporation’s operations), and includes the following 14 companies:

- Blue Bird Corporation
- Commercial Vehicle Group, Inc.
- Cooper-Standard Holdings Inc.
- Exco Technologies Limited
- Gentherm Incorporated
- Horizon Global Corporation
- Martinrea International Inc.
- Meritor, Inc.
- Modine Manufacturing Company
- NFI Group Inc.
- Stoneridge, Inc.
- Titan International, Inc.
- Visteon Corporation
- Wabash National Corporation

The Compensation Committee considers the benchmark peer group and Meridian’s recommendations when it approves compensation for its executives and key employees to ensure the compensation offered by the Corporation is in line with that of the companies comprising the comparator group.

Managing Compensation Related Risk

In reviewing and recommending executive compensation for the Last Financial Year, the Compensation Committee considered the implications of the risks associated with the Corporation’s compensation policies and practices. Risk management is an essential element of the Corporation’s key decisions and, while risk is inherent in the Corporation’s business, the Corporation believes its executive compensation program contains a number of features and practices that limit the risks associated with its compensation.

The Corporation uses the following practices to discourage or mitigate excessive risk-taking:

- The Board reviews and approves the Corporation's budgets and business plans in the context of assessing performance and awarding incentives for each upcoming financial year.
- The Corporation's compensation policies and practices are generally consistent among the Corporation's business units and executive officers.
- The compensation consists of an appropriate balance between each of: (a) short-term and long-term incentive compensation; (b) cash and equity compensation; and (c) fixed and variable compensation.
- Performance-dependent bonuses (including those of NEOs) are set as a specified percentage scale closely tied to performance which is measured against a number of weighted financial metrics (Adjusted EBITDA (50%); Net Debt Improvement (35%); Profitable New Business Wins (5%); Safety (Total Recordable incident Rate) (5%) and Quality (Customer Incidents) (5%)) and the value of the long-term equity component of the compensation is connected to the price of the Corporation's Common Shares, which collectively makes NEO's compensation intrinsically connected to the success of the Corporation.
- NEOs' contracts are regularly updated and reviewed by the Compensation Committee.
- The Corporation has share ownership requirements for its NEOs and senior executives.
- The Corporation expressly prohibits its Directors and employees from the hedging of Common Shares and share-based compensation awards.
- The Corporation's long-term incentive program for the Corporation's officers currently includes RSUs and Options which vest over time. This ensures that NEOs and other equatives remain exposed to the risks of their decisions and vesting periods align with risk realization periods. The trading of Common Shares, whether obtained through option exercise or otherwise, is subject to specified black-out periods.
- The Corporation has implemented the executive share ownership guidelines, as described above, to require and encourage minimum levels of share ownership and to better align executive risk perceptions with those of shareholders. The Corporation continues to encourage investment by executives in equity ownership by offering RSUs.
- The Audit Committee and Board are responsible for assessing and monitoring the Corporation's financial and enterprise risks. Both the Chair of the Board and the chair of the Audit Committee are independent Directors.
- Peer group review is conducted and considered in setting compensation, and the Compensation Committee strives to ensure that compensation practices of the Corporation are in line with the industry practices.
- The Compensation Committee has discretion to adjust annual incentive payments to take into account unexpected events and the level of risk undertaken to achieve desired results.
- The Corporation has a Clawback Policy, as described above.

The Compensation Committee receives a report from the Corporation's independent compensation consultant on risk factors related to compensation. As a result of the Compensation Committee's review of its compensation plans, giving consideration to the independent consultant's report on risk

factors, it has concluded that there are no identified risks arising from its compensation programs that are reasonably likely to have a material adverse effect on the Corporation.

Principal Elements of Compensation

The compensation of ABC's executive officers is comprised of the following principal elements: (a) annual base salary; (b) an annual cash bonus incentive plan; (c) long-term equity incentives, consisting of Options, RSUs, and/or other applicable awards granted under the Omnibus Incentive Plan and any other equity plan that may be approved by the Board (and ABC's shareholders, as applicable) from time to time; (d) retirement plans; and (e) employee benefits. These principal elements of compensation are described below.

Annual Base Salary

Annual base salary is provided as a fixed source of compensation for ABC's executive officers. Adjustments to base salaries are reviewed annually and as warranted throughout the year to reflect promotions or other changes in the scope of breadth of an executive officer's role or responsibilities, as well as to maintain market competitiveness.

Annual Incentive Plan

We believe that annual cash incentive awards motivate our key employees, including the NEOs, and reward them for annual business results that help create value for our shareholders. The Compensation Committee establishes an annual incentive plan (the "**AIP**") based on financial targets determined by the Board.

ABC's AIP is designed to motivate our key employees, including the NEOs, to meet our annual financial performance targets, with reference to designated financial measures. For the Last Financial Year: Adjusted EBITDA (as defined in the AIP) performance is weighted at 50% of the total award; Net Debt (as defined in the AIP) reduction is weighted at 35% of the total award; and each of Profitable New Business Wins, Safety (Total Recordable incident Rate) and Quality (Customer Incidents) metrics (each as defined in the AIPA) are weighted at 5% of the total award.¹ The AIP targets in respect of NEOs are set as a percentage of the NEOs' base salary, which varies based on position, and range from 75% to 125%. The AIP establishes threshold amounts that must be satisfied for a payment to be made in respect of each performance measure and a target amount necessary for there to be a payout of 100 percent of an assigned bonus. The performance thresholds necessary for the NEOs to earn their targeted payouts have been established by the Board at levels intended to be challenging, but attainable.

Omnibus Incentive Plan

ABC's Omnibus Incentive Plan provides continual motivation for its officers, employees, and consultants to achieve its business and financial objectives and align their interests with the long-term interests of ABC's shareholders. The purpose of the Omnibus Incentive Plan is to promote greater alignment of interests between employees and shareholders, and to support the achievement of ABC's longer-term performance objectives, while providing a long-term retention element. For further details in respect of the Omnibus Incentive Plan, see "Executive Compensation – Omnibus Incentive Plan".

¹ The definitions of Net Debt and Adjusted EBITDA used pursuant to the AIP are different from the definitions of Net Debt and Adjusted EBITDA set forth in the Corporation's credit facility.

Retirement Benefits

The Corporation has two retirement plans: a deferred profit-sharing plan (“**DPSP**”) for certain Canada-based executive officers and other full-time Canada-based employees, and a 401K plan (“**US 401K Plan**”) for certain U.S.-based executive officers and other full-time U.S.-based employees.

Eligible employees may contribute to their Registered Retirement Savings Plan (“**RRSP**”) through regular payroll deduction or via lump sum deposits made directly to the plan record keeper. Plan members can contribute any amount up to their Canada Revenue Agency (the “**CRA**”) limit. The RRSP contribution limit calculation is 18% of the member’s earnings from the previous year to a dollar maximum (C\$29,210 in 2022), plus any unused contribution room from previous years.

Pursuant to the DPSP, eligible employee participants may contribute up to 4% of their annual earnings into an RRSP through payroll deduction and the Corporation will match any such employee contributions by making a matching contribution to the DPSP. The match is equal to 100% of the participant contributions made into the RRSP plan up to 4% of the participant’s annual base salary and will be capped at the CRA DPSP contribution limit. CRA limits contributions to the DPSP to 18% of the members earnings for the current year, to a dollar maximum (C\$15,390 in 2022). Any contributions to the DPSP will reduce the contribution room available in the member’s RRSP.

In addition, in the Last Financial Year, the Company has established a Supplemental Employee Retirement Pension Plan (“**SERP**”), pursuant to which employees who exceed the CRA DPSP annual contribution limit will receive accumulations towards SERP at the same rate at which the contributions have been made towards DPSP prior to reaching the CRA limit and receive the accumulated amount on death, retirement from the Corporation or termination of employment.

Pursuant to the US 401K Plan, eligible employee participants may defer up to 6% of their annual earnings into a 401K and the Corporation will match US\$0.40 per \$1.00 deferral.

On July 5, 2020, ABC temporarily suspended Corporation contributions under the DPSP and the US 401K Plan due to the financial impact of COVID-19 on its business. The Corporation reinstated its contribution under the US 401K Plan and the DPSP on July 4, 2021.

The following table sets forth a summary as at June 30, 2022, of the contributions to, and value of, the DPSP and the US 401K Plan applicable to the NEOs made during the Last Financial Year:

in Last Financial Year. Excludes value of SERP contributions. In the Last Financial Year Mr. Sheppelman's SERP contributions were \$3,267 in the aggregate. No other NEO has accumulated any amount under SERP.

- (2) Salaries of all NEOs, other than David Ellacott's, are set out in their corresponding employment agreements in U.S. dollars and are converted into Canadian dollars for this summary compensation table using the daily exchange rate of 1.2886 as reported by Bank of Canada for June 30, 2022.
- (3) The accumulated value at start of year for Messrs. Sheppelman, Smith and Ellacott represents solely the total contributions made by the Corporation to their respective DPSP plans. Messrs. Sheppelman, Smith and Ellacott do not have US 401K Plans.
- (4) Mr. Malmhagen resigned as the Corporation's Chief Operating Officer on April 29, 2022, Mr. Sheppelman ceased serving the Corporation's Chief Executive Officer effective August 16, 2022 and Mr. Greidanus ceased acting as the Corporation's Chief Commercial Officer effective September 19, 2022.

Employee Benefits

Our full-time employees, including our NEOs, are eligible to participate in our health and welfare benefit plans, which include medical, dental, vision, basic and dependent life, supplemental life, accidental death, dismemberment and specific loss, long-term disability, and optional critical illness insurance. Our NEOs participate in these plans on a slightly better basis than other salaried employees, including higher multiples on life insurance for certain executive officers and unlimited health coverage. Our NEOs are also entitled to an annual car allowance.

Table Performance Graph

Cumulative Total Return on \$100 Investment (since February 22, 2022)

The following graph compares the percentage change in the cumulative total shareholder return on the Common Shares with the cumulative total return of the S&P/TSX Composite Index during the period from February 23, 2021 (the date immediately following the date of the IPO) based on the closing price of the Common Shares on February 22, 2021 (\$9.85) and June 30, 2022 (\$5.96) if \$100 was invested and all dividends were reinvested:

	February 22, 2021	June 30, 2021	June 30, 2022
S&P/TSX Composite Index	\$100	\$109.44	\$102.35
ABCT	\$100	\$92.82	\$61.65

As at June 30, 2022, the Corporation's total shareholder return since the date of the IPO decreased by approximately 38% since February 22, 2021 while the S&P/TSX Composite Index total return increased by approximately 2% over the same period.

The Corporation's executive compensation is linked to the performance level of the Corporation. Compensation for NEOs for the Last Financial Year is not directly linked to changes in the Corporation's share price, with the exception of Options and RSUs. In the Last Financial Year, executive compensation overall went down year-over-year, with the Corporation's share price at the end of the Last Financial Year also down year-over-year. Since the date of the IPO, the share price of the Common Shares has fallen approximately 38%, underperforming the performance of the TSX.

Since the IPO, the Corporation's compensation trend has been to tie a significant portion of executive bonus compensation to long-term equity compensation and employee share ownership using the Corporation's equity compensation such as RSUs and Options to further incentivize key personnel in improving Corporation's performance.

Several general observations can be made. The base salaries of NEOs have not changed materially, since the date of the IPO, but reflect comparative base salaries of NEOs in the Corporation's sector. Cash bonuses for NEOs are primarily based on pre-tax profits and other measurable metrics of the Corporation. The Common Share price has fluctuated, reflecting the general depreciation in the price of shares of companies operating in the automotive industry over the same period as a result of global industry-wide effects of the prolonged COVID-19 pandemic, global conflicts and economic sanctions and related supply-chain interruptions, raw material price increases and labour market shortages.

The Compensation Committee believes that the Corporation's compensation trends are in line with its compensation philosophy.

Equity Compensation Plan Information

The following table sets out information concerning the number and price of securities to be issued under equity compensation plans to employees and others.

Plan Category	Number of Securities to be Issued upon Exercise of Options, Warrants and Rights (as at June 30, 2022)	Weighted – Average Exercise Price of Outstanding Options, Warrants and Rights (as of June 30, 2022)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in (a)) (as at June 30, 2022)
	(a)	(b)	€
Equity Compensation Plans Approved by Securityholders	1,355,974 ⁽¹⁾	C\$10.00	4,684,101
Equity Compensation Plans Not Approved by Securityholders	-	N/A	N/A
Total	1,355,974	N/A	4,684,101 ⁽²⁾

- (1) Includes 884,292 Options and 471,682 RSUs outstanding as at June 30, 2022. There were 1,094,698 Options and 590,018 RSUs outstanding prior start of start of the Last Financial Year. During the Last Financial Year, the Corporation granted 10,282 Options and 23,679 RSUs to certain employees of the Corporation and 220,688 Options and 103,112 RSUs where forfeited and cancelled and additional 38,903 RSUs where redeemed in cash in accordance with the terms of the Omnibus Incentive Plan in connection with the termination of certain employees. Options granted prior to and during the Last Financial Year have an exercise price of C\$10.00, expire on February 22, 2031, and vest in thirds on: August 22, 2022; August 22, 2023 and August 22, 2024. All RSUs granted prior to and during the Last Financial Year vest in thirds on September 22, 2022, September 22, 2023, and September 22, 2024.
- (2) Between the end of the Last Financial Year and the Date of this Circular, an additional 406,248 Options and 200,903 RSUs have been forfeited and cancelled in connection with termination of employment of certain employees and 80,359 RSUs, which vested on September 22, 2022, have been redeemed into Common Shares. Such forfeitures and cancellations resulted in a corresponding reduction to the "Number of Securities to be Issued upon Exercise of Options, Warrants and Rights" under the Omnibus Incentive Plan and a corresponding increase in the number of "Securities Remaining Available for Future Issuance Under Equity Compensation Plans" as at the date of this Circular, as compared to the numbers indicated in the table, which are provided as at June 30, 2022.

Outstanding Option-Based Awards and Share-Based Awards

The annual burn rate of the Omnibus Incentive Plan was: (i) 0.2% for the Last Financial Year and (ii) 3.29% for FY2021. The Corporation issued (i) 10,282 Options and 8,675 RSUs during the Last Financial Year and (ii) 1,094,698 Options and 617,781 RSUs in FY2021. The Omnibus Incentive Plan was established in FY2021. The Corporation has never issued any awards under the ESPP.

As of the date of this Circular, there are:

- i) 463,376 Options (as defined below) to acquire Common Shares outstanding having a weighted average exercise price of C\$10.00 under the Omnibus Incentive Plan. As of the date hereof, this represents, in the aggregate, 0.4% of the total Common Shares issued and outstanding (on a non-diluted basis).
- ii) 190,420 RSUs (as described in greater detail below) vesting in equal thirds on: September 22, 2022, September 22, 2023, September 22, 2024, and which on vesting may be settled by the Corporation (a) in Common Shares issued from treasury equal in number to the vested RSUs; (b) a lump sum payment in cash equal to the number of

vested RSUs; or (c) any combination thereof. Market value of Common Shares on settlement is the volume weighted average price of Common Shares traded on the Toronto Stock Exchange for the five (5) consecutive trading days prior to such date. As of the date hereof, this represents, in the aggregate, 0.16% of the total Common Shares issued and outstanding (on a non-diluted basis).

Collectively, the Options and RSUs outstanding as at the date of this Circular represents in the aggregate approximately 0.56% of the total Common Shares issued and outstanding (on a non-diluted basis).

Omnibus Incentive Plan

The Omnibus Incentive Plan was adopted in connection with the completion of our IPO and is administered by the Compensation Committee. The Compensation Committee has the authority to interpret the Omnibus Incentive Plan, including in respect of any award granted thereunder. The Omnibus Incentive Plan permits the Compensation Committee to make awards of (i) Options, (ii) Share Appreciation Rights (as defined below), (iii) Restricted Shares (as defined below), (iv) Restricted Share Units (as defined below), (v) Dividend Equivalent Rights (as defined below), and (vi) Performance Share Units (as defined below).

Common Shares Reserved for Issuance

Subject to adjustment as described below, the number of Common Shares available for issuance under the Omnibus Incentive Plan is 6,040,075 Common Shares. If an award granted under the Omnibus Incentive Plan is forfeited or expires, the Common Shares not acquired pursuant to the award will again become available for subsequent issuance under the Omnibus Incentive Plan. All Common Shares represented by an Option in respect of which a TSAR (as defined below) is exercised and Common Shares not issued, will again become available under the Omnibus Incentive Plan.

The number of Common Shares that may be (i) issued to insiders of the Corporation within any one-year period, or (ii) issuable to insiders of the Corporation at any time, in each case, under the Omnibus Incentive Plan alone, or when combined with all of the Corporation's other security-based compensation arrangements, cannot exceed 10% of the outstanding Common Shares.

Options

Each option (an "**Option**") of the Corporation entitles the recipient to purchase a Common Share at a fixed exercise price. The Compensation Committee may award Options under the Omnibus Incentive Plan.

The exercise price per Common Share for each Option will be determined by the Compensation Committee, but shall not be less than the market price of a Common Share on the date the Option is granted (110% of the market price for Options granted to grantees holding more than 10% of our total combined voting power or that of any of our affiliates).

The Compensation Committee may determine the vesting schedule and expiration dates for Option awards; provided that the expiration date may not exceed ten years from the date of grant.

The Omnibus Incentive Plan provides for a variety of methods to exercise Options. The exercise price of any Option may be paid using cash or in another form determined by the

Compensation Committee, which may include (i) bank transfer, (ii) Common Shares, subject to stock exchange rules, (iii) other consideration approved by the Corporation and permitted by applicable law and stock exchange rules, and (iv) any combination of the foregoing.

Except as would cause an Option to constitute “deferred compensation” subject to Section 409A of the U.S. Internal Revenue Code of 1986, if the normal expiry date of any Option falls within any blackout period or within ten (10) business days following the end of any blackout period, then the expiry date of such Option shall, without any further action, be extended to the date that is ten (10) business days following the end of such blackout period.

Share Appreciation Rights

Each share appreciation right (a “**Share Appreciation Right**”) of the Corporation granted under the Omnibus Incentive Plan entitles the recipient to receive Common Shares, cash or, subject to stock exchange approval, if applicable, other property equal in value to the appreciation of the Common Shares over the stated exercise price. The exercise price per Common Share for each Share Appreciation Right will be determined by the Compensation Committee, but shall not be less than the fair market value of a Common Share on the date the Share Appreciation Right is granted.

The Compensation Committee may determine the vesting schedule and expiration dates for the Share Appreciation Rights.

Each Share Appreciation Right will entitle a grantee to receive, upon exercise, an amount equal to the number of Common Shares underlying the Share Appreciation Right, multiplied by the excess of the fair market value of a Common Share on the date of exercise over the exercise price of the Share Appreciation Right. Payment to a grantee upon the exercise of a Share Appreciation Right may be either in Common Shares, cash or, subject to stock exchange approval if applicable, other securities or property, or a combination of the foregoing, as determined by the Compensation Committee.

Except as would cause a Share Appreciation Right to constitute “deferred compensation” subject to Section 409A of the U.S. Internal Revenue Code of 1986, if the normal expiry date of any Share Appreciation Right falls within any blackout period or within ten (10) business days following the end of any blackout period, then the expiry date of such Share Appreciation Right shall, without any further action, be extended to the date that is ten (10) business days following the end of such blackout period.

A tandem share appreciation right (a “**TSAR**” or “**TSARs**”) may be granted in connection with Options granted under the Omnibus Incentive Plan, at or after the time of grant of such Options. A TSAR entitles the recipient to surrender to the Corporation, unexercised, the right to subscribe for a Common Share pursuant to the related Option and to receive from the Corporation cash in an amount equal to the excess of the fair market value of a Common Share over the exercise price under the related Option, net of any applicable withholding taxes and other required source deductions.

TSARs may be granted under the Omnibus Incentive Plan in an amount equal to the number of Common Shares covered by the applicable award of Options. Each exercise of a TSAR in respect of a Common Share covered by the Option to which the TSAR is connected shall cancel that Option in respect of such Common Share. Unexercised TSARs shall terminate when the related Option is exercised or, if the Option is not exercised, when such Option ceases to be exercisable under the Omnibus Incentive Plan.

Restricted Shares

Restricted shares (a “**Restricted Share**”) of the Corporation granted under the Omnibus Incentive Plan are Common Shares that are registered in the recipient’s name, but are subject to transfer and/or other restrictions for a period of time. Restricted Shares may be granted in such amounts and with such terms and conditions as are determined by the Compensation Committee. The Compensation Committee will issue a certificate in respect to the Restricted Shares, unless the Compensation Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of such Common Shares. In the event a certificate is issued, it may be registered in the name of the grantee, and we will hold the certificate until the restrictions upon the award have lapsed.

During the period that any restrictions apply, the transfer of Restricted Shares is generally prohibited. The terms of the award of Restricted Shares shall provide that during the period of restriction the grantee will not have voting rights with respect to the Restricted Shares. All ordinary cash dividend payments or other ordinary distributions paid upon a Restricted Share award will be retained by the Corporation and paid to the grantee (without interest) during the vesting period and will revert back to the Corporation if for any reason the Restricted Share upon which such dividends or other distributions were paid reverts back to the Corporation.

Restricted Share Units

A Restricted Share Unit or an RSU granted under the Omnibus Incentive Plan is an unfunded, unsecured right to receive a Common Share, cash or, subject to stock exchange approval if applicable, other property at a future date. RSUs may be granted in such amounts and with such terms and conditions as are determined by the Compensation Committee. The Compensation Committee may determine the vesting schedule and expiration dates for the RSUs.

During the period that any restrictions apply, the transfer of RSUs awards is generally prohibited. Grantees only have the rights of a general unsecured creditor until delivery of Common Shares, cash or other securities or property is made as specified in the award agreement. On the delivery date, the grantee of each RSU not previously forfeited or terminated will receive one Common Share, cash or other securities or property that is equal in value to such Common Share or a combination thereof, as determined by the Compensation Committee, unless otherwise prescribed in the award agreement.

Dividend Equivalent Rights

Award agreements under the Omnibus Incentive Plan may provide for dividend equivalent rights (the “**Dividend Equivalent Rights**”) of the Corporation for any granted award, other than an award of Options or Share Appreciation Rights. Dividend Equivalent Rights granted under the Omnibus Incentive Plan entitle the grantee to receive amounts equal to all or any portion of the regular cash dividends that are paid on the Common Shares underlying a grant while the grant is outstanding. Grantees only have the rights of a general unsecured creditor until payment of such amounts is made.

Dividend Equivalent Rights may be paid in cash, in Common Shares or, subject to stock exchange approval if applicable, in another form, as determined by the Compensation Committee and specified in the award agreement. The Compensation Committee will also determine the time or times at which payments will be made, and such other terms and conditions as the Compensation Committee deems appropriate, including whether the amounts subject to a Dividend Equivalent Right

may be notionally reinvested in the form of award to which the award agreement relates, subject to the same vesting conditions as such award; provided that in no event may such payments be made unless and until the award to which they relate vests.

Performance Share Units

A Performance Share Unit is an unfunded, unsecured right to receive a Common Share (a “**Performance Share Unit**”), cash or other property at a future date upon to the achievement of specified performance goals, as determined by the Compensation Committee at the time of grant. Performance Share Units may be granted in such amounts and with such terms and conditions as are determined by the Compensation Committee. The Compensation Committee may determine the vesting schedule and expiration dates for the Performance Share Units.

Grantees only have the rights of a general unsecured creditor until delivery of Common Shares, cash or other securities or property is made as specified in the award agreement. Upon the achievement of the performance goals on the delivery date specified in the award agreement, the grantee of each Performance Share Unit not previously forfeited or terminated will receive one Common Share, cash or, subject to stock exchange approval if applicable, other securities or property that is equal in value to such Common Share or a combination thereof, as determined by the Compensation Committee, unless otherwise prescribed in the award agreement.

Adjustments

In connection with a recapitalization, stock split, reverse stock split, stock dividend, spinoff, split-up, combination, reclassification or exchange of Common Shares, merger, consolidation, arrangement, rights offering, separation, reorganization or liquidation or any other change in the corporate structure or Common Shares, including any extraordinary dividend or extraordinary distribution, the Compensation Committee will make adjustments as it deems appropriate (including, without limitation, by payment of cash) in (i) the maximum number of Common Shares reserved for issuance as grants and (ii) the terms of any outstanding awards (including, without limitation, the number of Common Shares covered by each outstanding award, the type of property or securities to which an award relates and the exercise or strike price, if applicable).

Trigger Events; Change of Control

Unless otherwise provided in the applicable award agreement or employment agreement, if a grantee’s employment is terminated by the Corporation without “just cause” (as defined in the Omnibus Incentive Plan) on or within one (1) year after a “change of control”, (i) all outstanding awards will become fully vested (including lapsing of all restrictions and conditions), and, as applicable, exercisable and (ii) any Common Shares deliverable pursuant to Restricted Share Units will be delivered promptly (but no later than 15 days) following the termination of employment. Notwithstanding the foregoing, if, in connection with a change of control, any outstanding awards are not assumed by, or replaced with comparable awards or rights by, the surviving corporation (or a parent or subsidiary of the surviving corporation), then upon such change of control each award granted to such grantee prior to such change of control will become fully vested (including the lapsing of all restrictions and conditions) and, as applicable, exercisable. As of the change of control date, any outstanding performance-based awards will be deemed earned at the actual performance level as of the date of the change of control (or target performance if the Compensation Committee determines that the actual performance level is unable to be determined) with respect to all open performance periods and will cease to be subject to any further performance conditions, but will

continue to be subject to time-based vesting following the change of control in accordance with the original performance period.

In the event of a change of control, the Compensation Committee has the sole discretion, subject to the applicable award agreement, to (i) settle awards for an amount equal to their value of cash or securities (in the case of Options and Share Appreciation Rights that are settled in cash, the amount paid will be equal to the in-the-money spread value, if any, of such awards), as determined by the Compensation Committee in its sole discretion, (ii) provide for the assumption of or the issuance of substitute awards, or (iii) provide that for a period of at least 20 days prior to the change of control, Options or Share Appreciation Rights that would not otherwise become exercisable prior to a change of control will be exercisable as to all Common Shares, as the case may be, subject thereto and that any Options or Share Appreciation Rights not exercised prior to the consummation of the change of control will terminate and be of no further force or effect as of the consummation of the change of control.

Amendments and Termination

Subject to the rules of the TSX, the Board may amend or terminate the Omnibus Incentive Plan at any time, provided that no such amendment may materially adversely impair the rights of a grantee of an award without the grantee's consent. Our Board is able to make certain amendments to the Omnibus Incentive Plan or to any award outstanding thereunder without seeking shareholder approval, including, but not limited to, housekeeping amendments, amendments to comply with applicable law or stock exchange rules, amendments to reduce or restrict participation or amendments to the vesting, termination or early termination provisions of the Omnibus Incentive Plan. However, the following types of amendments will not be able to be made without obtaining shareholder approval:

- increasing the number of Common Shares reserved for issuance under the Omnibus Incentive Plan;
- increasing the length of the period after a blackout period during which Options may be exercised;
- permitting the participation of non-employee Directors in the Omnibus Incentive Plan;
- removing or exceeding the insider participation limit;
- reducing the exercise price of an Option to the benefit of an insider, except pursuant to an adjustment event;
- extending the expiry date of an award to the benefit of an insider, except for an automatic extension of an award that expires during or shortly following a blackout period;
- permitting awards to be transferred or assigned other than for normal estate settlement purposes; or
- amending the amendment provision under the Omnibus Incentive Plan.

Except as specifically provided in a grant agreement approved by the Board, awards granted under the Omnibus Incentive Plan generally are not be transferable other than by will or the laws of succession.

The Corporation does not intend to provide any financial assistance to participants under the Omnibus Incentive Plan.

ABC LP Equity Incentive Plan

ABC LP, who was the sole Shareholder prior to the completion of the IPO and who held approximately 25.6% of the Corporation's then issued and outstanding Common Shares prior to the completion of the Oaktree Transaction completed during the Last Financial Year, had an equity structure comprised of Class A-1 equity interests and Class A-2 equity interests (together, the "**Class A Interests**"), Class P equity interests (comprised of Class P-1, Class P-2, Class P-3 and Class P-4 interests, collectively the "**Class P Interests**") and a nominal general partner interest. The Class A Interests are directly and indirectly owned by an investment fund managed by Cerberus Capital Management, L.P., and are not and have not been held by any members of the Corporation's management. The Class P Interests were entitled to receive a proportionate share of distributable profits of ABC LP after the holders of the Class A Interests have received distributions, in the aggregate, in an amount equal to (a) the capital contributions represented by such Class A Interests (the "**Capital Contributions**") and (b) a ten percent (10%) per annum compounded rate of return in respect of Capital Contributions (the achievement of (a) and (b), the "**Hurdle Threshold**"). Following the achievement of the Hurdle Threshold, the Class A Interests and the P-1 Interests were entitled to receive their proportionate share of pro rata distributions, in the aggregate, in an amount equal to a first target value. Following the achievement of the first target value, the Class P-2 Interests would be entitled to receive their proportionate share of pro rata distributions with the Class A Interests and Class P-1 Interests in the aggregate, in an amount equal to the second target value. Following the achievement of the second target value, the Class P-3 Interests would then be entitled to receive their proportionate share of pro rata distributions with Class A Interests, the Class P-1 Interests and Class P-2 Interests, on a ratable basis, in the aggregate, in an amount equal to the third target value. Following the achievement of the third target value, any remaining distributions would be made on a pro rata and ratable basis to holders of the Class A Interests and all Class P Interests.

Following the achievement of the Hurdle Threshold and all three target values, the Class P Interests collectively represent up to a maximum approximate value of 9.2% of the interest in the total distributable profits of ABC LP.

Immediately prior to the completion of the Oaktree transaction, Todd Sheppelman, David Smith, Paer Malmhagen, and David Ellacott, all NEOs at the time as well as James Bernard, a former Director, held Class P Interests and have received an aggregate cash distribution equal to approximately US\$4.66 million. Except for the payments that they may have been entitled to receive as holders of Class P Interests as described above, none of our NEOs received any compensation from ABC LP in the Last Financial Year. Upon the completion of the Oaktree Transaction and the corresponding transfer of the remainder ABC LP's Common Shares to Oaktree no NEO and no Director is expected to receive any payment from ABC LP either in respect of Class P Interests or otherwise.

Value Creation Plan

In addition, ABC Technologies Inc., a wholly-owned subsidiary of the Corporation, had adopted a Fourth Amended and Restated Value Creation Plan of ABC Technologies Inc. dated July 29, 2020 (the "**VC Plan**"). The purpose of the VC Plan was to motivate and retain certain individuals to contribute to the attainment of the long-term performance goals of the ABC group of companies, consisting of ABC Group Canada LP and its direct and indirect subsidiaries, including the Corporation.

Pursuant to the terms of VC Plan, eligible participants could be issued units ("**Participant Units**") to receive certain cash distributions from a designated pool (the "**VCP Pool**") based on net cash distributions (other than any tax distributions), actually received by the equity investors of ABC

LP (the “**Investors**”), if any (the “**Investor Distributions**”), over an established threshold amount, which would be equal to the Investors’ capital contributions in ABC LP, plus a ten percent (10%) per annum compounded rate of return in respect of such Investors’ capital contribution (the “**Threshold Amount**”). A VCP Pool was established in connection with the IPO and Apollo Transaction, in an amount equal to 2.50% of the cumulative Investor Distributions.

Certain of our executive officers previously received Participant Units. During the Last Financial Year, Stuart Greidanus held 400 Participant Units representing approximately 17.20% of the then 2,325 issued and outstanding Participant Units. The remaining Participant Units were otherwise held by Directors, officers, employees or consultants of the Corporation or its subsidiaries and former management or employees of the Corporation and its subsidiaries.

Holders of Participant Units were entitled receive a proportionate share of distributions made from the VCP Pool. In the event of a participant’s termination of service for any reason, such participant’s Participant Units would be cancelled as of the date of such termination of service and such participant will have no right to any payment under the VC Plan (or otherwise) in respect of any Investor Distribution that is made after such date. The Participant Units were non-voting and were not convertible into any equity or voting securities.

As a consequence of the IPO and the Apollo Transaction, equity investors of ABC LP received Investor Distributions that exceed the Threshold Amount. As a result, the VCP Pool was established following completion of the IPO and, thereafter, holders of Participant Units, including in respect of the Apollo Transaction and the Oaktree Transaction, received a proportionate share of distributions made from the VCP Pool to the extent that the cumulative Investor Distributions, including those made in connection with the payment of the proceeds of the IPO, Apollo Transaction and Oaktree Transaction to ABC LP, respectively, are in excess of the Threshold Amount. During FY2021, Mr. Greidanus received an aggregate cash distribution equal to approximately US\$0.2 million and approximately US\$0.9 million in connection with the IPO and the Apollo Transaction, respectively. During the Last Financial Year, Mr. Greidanus received approximately US\$2,122 in connection with the dividend distribution by ABC LP to Cerberus Capital Management, L.P. and another approximately US\$0.4 million in connection with the Completion of the Oaktree Transaction. The payment of distributions made from the VCP Pool were obligations of the Corporation’s wholly owned subsidiary. The VC Plan is a legacy plan and no further Participant Unit awards will be issued pursuant to the VC Plan.

Special Incentive Bonus Compensation

Following completion of the IPO, the Corporation established a special incentive bonus compensation pool (the “**Special Bonus Pool**”), in the aggregate amount of up to US\$4.5 million. The Special Bonus Pool was designed to recognize the performance of certain of the NEOs and Directors for their prior service and commitment to the Corporation (and its subsidiaries), including recognizing exceptional efforts and commitment during the COVID-19 pandemic and in connection with other business transformation initiatives. In FY2021 Messrs. Sheppelman, Malmhagen, Ellacott and Smith, each a Named Executive Officer, Messrs. and Mr. Bernard, a former Director received payouts under the Special Bonus Pool equal to US\$1,250,000, US\$700,000, US\$400,000, US\$230,000, and US\$125,000, respectively. No Special Bonus Pool payments have been made in the Last Financial Year.

Following the completion of the Apollo Transaction, the Corporation awarded certain of its key employees, certain Directors and consultants additional special bonuses (the “**Apollo Transaction Special Bonus Awards**”) in recognition of such employees, Directors and consultants’

contributions to advancing the Corporation's interest in the connection with the Apollo Transaction. Accordingly, in FY 2021 Messrs. Sheppelman, Malmhagen, and Ellacott, each an NEO in the Last Financial Year and in FY2021, and Mr. Bernard a former Director received, US\$750,000, US\$700,000, US\$230,000 and US\$50,000, respectively. No similar or related awards have been made to the NEOs or Directors in the Last Financial Year.

Employee Share Purchase Plan

On February 22, 2021, the Board approved the adoption of an employee share purchase plan ("**ESPP**"), pursuant to which eligible employees are able to acquire Common Shares in a convenient and systematic manner through payroll deductions. Although the ESPP has been approved, it has not been implemented as at the date hereof. The Corporation continues to explore efficient ways of implementing the ESPP.

Participants are able to contribute between 1% and, initially, 8% of their annual compensation (excluding bonuses) for purchases under the ESPP. The Board may determine a different maximum percentage of annual compensation that may be contributed by participants or a category of participants under the ESPP, provided such maximum does not exceed 20%. The Corporation initially reserved an aggregate of 262,611 Common Shares for issuance under the ESPP.

On a purchase date, all contributions received in respect of each participant shall be paid in full on behalf of such participant to purchase Common Shares from treasury or, at the election of the Corporation, through market purchases carried out by an independent broker through the facilities of the TSX.

In the event the Corporation determines to purchase Common Shares through the facilities of the TSX, the Corporation will contribute, in respect of each participant on the applicable purchase date, the amount determined by multiplying the contributions made by the participant since the last purchase date, by the effective discount percentage determined by the Board, initially being 10% (the "**Discount**"). The Board may determine a different Discount 90 days prior to a purchase date provided it does not exceed 15%.

In the event the Corporation determines to issue Common Shares from treasury, the number of each participant's purchased Common Shares to be issued by the Corporation from treasury to such participant in respect of a purchase date shall be equal to the number of Common Shares that could be purchased with (i) participant contributions in respect of such purchase date, plus (ii) an amount equal to the amount determined by multiplying the contributions made by the participant since the last purchase date by the Discount in respect of such purchase date, rounded down to the nearest whole number of Common Shares. Accordingly, in the event the Corporation determines to issue Common Shares from treasury, the purchase price paid by the participant per Common Share will be the fair market value of a Common Share (being the volume weighted average trading price of a Common Share on the TSX for the five (5) consecutive trading days immediately preceding the relevant purchase date), less the Discount.

The participation of insiders of the Corporation is limited under the ESPP such that (i) the number of securities issuable to insiders, at any time, under all security based compensation arrangements of the Corporation, including the ESPP, cannot exceed 10% of the issued and outstanding securities of the Corporation at any time; and (ii) the number of securities issued to insiders, within any one-year period, under all security based compensation arrangements of the Corporation, including the ESPP, cannot exceed 10% of the issued and outstanding securities of the Corporation.

The ESPP can be amended by the Board at any time, without the approval of the shareholders, including housekeeping amendments, amendments to comply with applicable law or stock exchange rules, amendments to reduce or restrict participation, or amendments to the termination provisions of the ESPP, provided that amendments to: (a) increase the number of Common Shares reserved for issuance from treasury under the ESPP; (b) add additional categories of persons eligible to participate under the ESPP; (c) eliminate or decrease the limitations on insider participation set forth above; (d) increase the amount of the Discount to greater than 15% or otherwise provide for any additional form of financial assistance to participants; (e) amend the amending provision of the ESPP to eliminate a matter listed as requiring Shareholder approval, will in each case require Shareholder approval.

The interest of any participant under the ESPP is not assignable either by voluntary assignment or by operation of law except upon death or upon mental incompetency. Upon the termination of employment of any participant under the ESPP for any reason whatsoever, all Common Shares held in such participant's account under the ESPP shall be released to such participant.

The ESPP is administered by our Board, which may delegate its authority thereunder as contemplated by the ESPP. Our Board has the authority, in the case of special dividends or distributions, specified reorganizations and other transactions, to determine appropriate equitable adjustments, if any, to be made under the ESPP. The Corporation shall pay all administrative costs related to the ESPP but shall not pay brokerage or related fees or expenses related to the transfer or sale of Common Shares by a participant.

Pension Plan Benefits

As at the date of the Circular, the Corporation does not have and does not intend to implement any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

Each would also be eligible for the continuation of the Corporation's group insurance benefits plan until the earlier of eighteen (18) months and the time on which they become eligible for an insurance plan with another employer.

In the event their employment is terminated without cause, each would be entitled to a twelve (12) month written notice or payment in lieu of notice of base salary and then current target bonus and the prorated bonus for the year of termination.

In addition, under the term of the Omnibus Incentive Plan, in the event of termination in connection with a change of control event, all of their respective unvested awards would vest effective on the date of termination. In the event of termination with or without cause all of their unvested awards would be forfeited effective the date of termination.

Director Compensation

ABC implemented a Director compensation program that aims to attract and retain global talent to serve on the Board, taking into account the risks and responsibilities of being an effective Director. ABC's intent is to provide competitive Director compensation through a combination of cash retainers and annual equity awards in the form of deferred share units granted under the Corporation's deferred share unit plan for non-employee Board members. The deferred share units and the Corporation's deferred share unit plan are described in greater detail under the heading "Deferred Share Unit Plan" below. In addition, ABC also provides a higher retainer to the chair of the Board of Directors of the Corporation (the "**Chair**") and an additional retainer to the chair of the Corporation's Audit Committee to recognize the additional time commitment, level of responsibility and skill set required for those roles. All Directors are entitled to reimbursement of reasonable expenses incurred by them acting in their capacity as Directors. ABC believes this approach will help to attract and retain strong members for the Board who will be able to fulfill their fiduciary responsibilities without competing interests.

The annual retainer to which the non-employee Directors are eligible is payable in two components as follows: (i) the cash retainer of US\$150,000 for the Director who serves as the Chair and US\$50,000 for every other non-employee Director, with an additional US\$25,000 payable to the Director serving as the chair of the Audit Committee of the Corporation (the "**Cash Component of Director Retainer**"); and (ii) the equity component in the form of the DSUs (as defined below), being US\$150,000 in deferred share units for the Chair and US\$100,000 in deferred share units for any other non-employee Director (the "**DSU Component of Director Retainer**"). The Corporation's deferred share unit plan provides that a Director may elect to receive his or her Cash Component of Director Retainer in deferred share units, calculated in accordance with the terms of the DSU Plan and awarded quarterly in arrears.

Deferred Share Unit Plan

On February 22, 2021, our Board adopted a deferred share unit plan (the "DSU Plan"), which is a component of the Corporation's long-term incentive compensation arrangements available for our non-employee Directors. The DSU Plan provides non-employee Directors with the opportunity to

receive a portion of their compensation in the form of deferred share units (“**DSUs**”), representing a unit equivalent in value to a Common Share in accordance with the terms of the DSU Plan (based on the closing price of the Common Shares the day prior to the grant). The DSU Plan is administered by our Board, provided that the Board may, in its discretion, delegate its administrative powers under the DSU Plan to the Compensation Committee. The following discussion is qualified in its entirety by the text of the DSU Plan and each agreement evidencing the grant of DSUs.

The participant is entitled to redeem his or her DSUs following the participant’s death, disability, resignation or retirement from our Board, or if such Director becomes an employee of the Corporation, upon his or her termination (with or without cause) as an employee. The DSU Plan contemplates that the Compensation Committee has the authority to administer the DSUs Plan and awards of DSUs made thereunder. The Board also has the authority to (a) administer the awards made under the DSU Plan in the Compensation Committee’s stead; (b) effect adjustments to the DSUs previously granted under the DSU Plan in the event of changes to the capital structure of the Corporation, such as, but not limited to: reclassification, reorganization or other change of our Common Shares, share split or consolidation, distribution, arrangement, merger or amalgamation, a stock dividend or recapitalization; (c) make amendments to the DSU Plan; or (d) cancel the DSU Plan. The Compensation Committee or the Board, in its sole discretion, may cancel all or a portion of the participant’s DSUs as a result of the participant’s termination for cause. Except as specifically provided in a grant agreement approved by the Compensation Committee or Board, DSUs granted under the DSU Plan are generally not assignable or transferable, whether voluntarily, involuntarily, by operation of law or otherwise, other than by will or the laws of descent and distribution. The DSU Plan does not include a limit on the number of DSUs that may be issued to a participant. In the event the Corporation declares cash dividends, holders of DSUs under the DSU Plan are eligible to receive dividend equivalents in DSUs in respect of such dividends for DSUs held on the record date of the dividend with such DSUs credited to holder’s DSUs account on payment date of the dividend.

In the event of a change of control of the Corporation, the Board has the authority to take all necessary steps to ensure the protection of the rights of the participants under the DSU Plan, including ensuring that the Corporation or any entity which is or would be the successor to the Corporation or which may issue securities in exchange for the Common Shares upon the change of control will assume each outstanding DSU, or provide each participant with new, replacement or amended DSUs which will continue on similar terms and conditions following the change of control as provided in the DSU Plan.

The Board may make such other provisions for the protection of the rights of the participants under the DSU Plan as it deems appropriate; however, no participant shall be entitled to receive payment for, or in respect of, any DSU on or before the Director’s death, disability, resignation or retirement from the Board or if such Director becomes an employee of the Corporation, before his or her subsequent termination (with or without cause). In case of resignation from the Board, a Director’s DSUs become payable on a three month anniversary of the resignation in case of a Director who is a “U.S. Taxpayer” within the meaning of the DSU Plan and for other Directors on December 15 of the calendar year following the year of resignation, unless such non- U.S. Taxpayer Director elects an earlier date, provided that such earlier date shall be not earlier than the three months anniversary of the resignation.

The Board may, in its sole discretion, amend, suspend or terminate the DSU Plan at any time, or from time to time, amend the terms and conditions of the DSU Plan or of any DSUs granted under the DSU Plan and any grant agreement relating thereto, provided that such amendment (i) shall not materially adversely affect the rights of a participant as permitted by the terms of the DSU Plan without the participant’s written consent unless such amendment is necessary to comply with law

and (ii) shall be in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the TSX.

In addition to setting out procedures for the grant of DSUs in respect of the DSU Component of Director Retainer, the DSU Plan provides that a Director eligible to receive a Cash Component of Director Retainer may elect to receive such Cash Component of Director Retainer in DSUs instead, with DSUs credited to such Director's DSU account so credited on a quarterly basis in arrears based on the fair market value of the Common Shares determined in accordance with the terms of the DSU Plan.

Director Share Ownership Guidelines

We established Director share ownership guidelines for Directors to further align the interests of such Directors with those of our shareholders. The ownership guidelines establish minimum equity ownership levels for each of our Directors based on a multiple of their annual Board retainer. There currently is no set time period to achieve the share ownership targets. However, Common Shares, the value of RSUs (calculated at grant) and the value of DSUs and any other equity-based awards will be included in determining an individual's equity ownership value. The Director share ownership guideline for these Directors is 5x their annual Board cash retainer.

In connection with the Board's approval of the Oaktree Transaction, each of Messrs. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The Corporation's corporate governance disclosure obligations are set out in the Canadian Securities Administrators' National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), National Policy 58-201 – *Corporate Governance Guidelines* and National Instrument (“**NP 58-201**”), 52-110 – *Audit Committees* (“**NI 52-110**”). These instruments set out a series of guidelines and requirements for effective corporate governance (collectively, the “**Guidelines**”). The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. NI 58-101 requires the disclosure by each listed corporation of its approach to corporate governance with reference to the Guidelines.

We recognize that good corporate governance plays an important role in the Corporation's overall success and in enhancing Shareholder value. Set out below is a description of the Corporation's approach to corporate governance in relation to the Guidelines.

The Board of Directors

The Board is currently comprised of nine (9) members, five (5) of whom are independent. The five independent Directors are James Voss, Barry Engle, Mel Carlisle, Patrick C. George and Burt Jordan. Four (4) current Directors are considered non-independent in accordance with the Independence Rules (as defined below) being Ms. Sorensen and Messrs. Reiss, Williams and Campbell. See “— *Director Independence*”.

Director Independence

A key function of a board of directors is to oversee management, with the objective of achieving long-term Shareholder returns. Potential benefits of having a controlling Shareholder can include the ability to encourage and support management in the pursuit of long-term strategies and the provision of directors who are experienced and knowledgeable about the business of the Corporation. Where management has no material relationship with the controlling Shareholder, the controlling Shareholder's interests are aligned with those of other Shareholders, further benefiting all Shareholders and the Corporation as a whole.

Following the closing of the Apollo Transaction, Alpha Holdings obtained and continues to have a controlling ownership interest in the Corporation. The Board includes three individuals who are senior executive officers and partners of Apollo, being Ms. Sorensen and Messrs. Williams and Reiss. Mr. Campbell, the President and Chief Executive Officer of the Corporation, also serves as a non-independent member of the Board.

Pursuant to the rules determining independence of directors of a corporation set out in NI 52-110 (the “**Independence Rules**”), five (5) out of nine (9) members of the Board are currently independent, being Messrs. Voss, Engle, Carlisle, George and Jordan.

Certain members of the Board are also members of the board of directors of other public companies. The Board has not adopted a director interlock policy, but is keeping informed of other public directorships held by its members. See “*Matters to be Acted Upon at Meeting – Nominees for Election to the Board*”.

Board Meetings

Since the beginning of the Corporation’s most recently completed financial year, the Board has held 8 meetings, which includes a number of special meetings which were called to evaluate certain merger and acquisition transactions completed by the Corporation in the Last Financial Year as disclosed by the Corporation in certain press releases, audited Annual Financial Statements, the Management Discussion and Analysis and the Annual Information Form for the Last Financial Year, copies of which are all available on the Corporation’s profile on www.sedar.com. See also “*Matters to be Acted Upon at Meeting – Nominees for Election to the Board*” for the attendance record of each Director nominee.

Meetings of Independent Directors

The Corporation has taken steps to implement adequate structures and processes to permit the Board to function independently of management of the Corporation. During the Last Financial Year, the majority of the Corporation’s Directors were considered independent. During the Last Financial Year, as part of quarterly meetings, the Board held in-camera sessions in the absence of senior executive officers of the Corporation. It is contemplated that to enhance independent judgment, independent Directors within the meaning of NI 52-110 will hold regular in-camera sessions without either the management or non-independent directors in the following financial year.

The chair of the Board, James Voss, (the “**Chair**”) is an independent Director and is responsible for ensuring that the Directors who are independent have opportunities to meet without management and non-independent Directors present, as required, and provides leadership for the independent Directors.

The Board delegates certain responsibilities to the Audit Committee in connection with potential conflicts of interest, such that the Audit Committee is responsible for reviewing and recommending to the Board for approval any potential conflict of interest contract or transaction material to the Corporation, including those involving Alpha Holdings, Apollo, Oaktree, Oaktree Funds or their respective affiliates. Where potential conflicts arise during a Director’s tenure on the Board, such conflicts are expected to be immediately disclosed to the Board in accordance with the Corporation’s Code of Conduct (as defined below).

Director Term Limits and Other Mechanisms of Board Renewal

The Board has not adopted Director term limits or other automatic mechanisms of board renewal. Rather than adopting formal term limits, mandatory age-related retirement policies and other mechanisms of board renewal, the Nominating and Corporate Governance Committee (as defined below) will seek to maintain the composition of the Board in a way that provides, in the judgment of the Board, the best mix of competencies, skills and experience to provide for the Corporation's overall stewardship. The Nominating and Corporate Governance Committee is also expected to conduct a process for the assessment of the Board, each committee and each Director regarding his, her or its effectiveness and performance, and to report evaluation results to the Board.

Board Mandate

The Board is responsible for supervising the management of the business and affairs, including providing guidance and strategic oversight to management. The Board discharges this responsibility directly and through delegation of specific responsibilities to committees of the Board, the Chair, and officers of the Corporation, all as more particularly described in the Board Mandate adopted by the Board.

As set out in the Board Mandate, attached as Schedule "A" hereto, the Board has established four committees to assist with its responsibilities: the compensation committee (the "**Compensation Committee**"), the Audit Committee, the nominating and corporate governance committee (the "**Nominating and Corporate Governance Committee**") and the disclosure committee (the "**Disclosure Committee**"). Each of the Compensation Committee, the Audit Committee, the Nominating and Corporate Governance Committee and the Disclosure Committee has a charter defining its responsibilities.

The Board Mandate includes the following responsibilities:

- reviewing and approving management's strategic, business and capital plans for the Corporation;
- reviewing reports on principal risks associated with the Corporation's business and operations and reviewing the implementation of risk management systems and any material deficiencies in such systems;
- reviewing the succession plan and processes relating to senior management; and

- taking steps to satisfy itself as to the integrity of the Chief Executive Officer and other senior executive officers and that the Chief Executive Officer and other senior executive officers create a culture of integrity throughout the organization.

Position Descriptions

The Board has developed position descriptions for the Chair, Lead Director (should a Lead Director be appointed) and for each chairperson of a committee of the Board, which sets out such chairperson's duties and responsibilities. The committee chair descriptions set out each of the committee chair's key responsibilities, including, among others, duties relating to setting committee meeting agenda, chairing committee meetings and ensuring there is an effective relationship between the Board and each committee.

The Board and the Chief Executive Officer have also developed a position description for the Chief Executive Officer which sets out the key responsibilities of the Chief Executive Officer, including, among others, duties in relation to providing overall leadership, developing and recommending to the Board a long-term strategy and vision for the Corporation that is consistent with creating shareholder value, developing and recommending to the Board annual business plans and budgets that support the Corporation's long-term strategy and ensuring compliance by the Corporation with all applicable laws, regulations and the Code of Conduct (defined below).

Orientation and Continuing Education

We have implemented an initial orientation program for new Directors as well as a continuing Director development program. New Directors are provided with comprehensive orientation and education as to the nature and operation of the Corporation and its business, the role of the Board and its committees, and the contribution that an individual Director is expected to make. The Nominating and Corporate Governance Committee is responsible for reviewing, monitoring and making recommendations with regard to new Director orientation and ongoing development of existing Directors designed to maintain or enhance the skills and abilities of the Directors and to ensure that their knowledge and understanding of the business remains current. The chair of each committee is responsible for coordinating orientation and continuing Director development programs relating to the committee's mandate.

Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics (the "**Code of Conduct**") that applies to all of the Corporation's Directors, officers and employees. The objective of the Code of Conduct is to provide guidelines for maintaining the Corporation's and its subsidiaries' integrity, reputation, honesty, accountability and impartiality. The Code of Conduct addresses conflicts of interest, protection of the Corporation's assets, confidentiality, fair dealing with customers, suppliers, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour.

A Director who has a material interest in a matter before the Board or any committee on which he or she serves is required to disclose such interest as soon as the Director becomes aware of it. In situations where a Director has a material interest in a matter to be considered by the Board or any committee on which he or she serves, such Director may be required to absent himself or herself from the meeting while discussions and voting with respect to the matter are taking place. Directors will also be required to comply with the relevant provisions of the BCBCA regarding conflicts of interest.

The Code of Conduct also sets out guidance to all ABC employees for avoiding and reporting actual and perceived conflicts of interests and enforces, together with the Whistleblowing Policy (described below), the Corporation's strict policy prohibiting retaliation in response to any good faith complaints, reports or concerns related to purported violations of any aspect of the Code of Conduct.

The Board has the ultimate responsibility for the stewardship of the Code of Conduct, and it will monitor compliance through the Audit Committee. At least annually, the Board will review the report of the Audit Committee relating to compliance with, or material deficiencies from, the Code of Conduct, and any investigations or resolutions of complaints received under the Code of Conduct. Directors, officers and employees are required to certify that they have received and understand their obligations under the Code of Conduct. The Code of Conduct has been filed with the Canadian securities regulatory authorities under the Corporation's profile on SEDAR at www.sedar.com.

The Nominating and Corporate Governance Committee is comprised of Michael Reiss (Chair), Patrick George and Jonathan Williams. Messrs. Reiss and Williams are not considered independent (under the Independence Rules), while Mr. George is considered independent (under the Independence Rules). Neither of the two non-independent members of the Nominating and Corporate Governance Committee is nor will be one of the Corporation's officers or employees, and as such, the Board believes that the Nominating and Corporate Governance Committee is able to conduct its activities in an objective manner.

For additional details regarding the relevant education and experience of each member of the Nominating and Corporate Governance Committee, including the direct experience that is relevant to each committee member's responsibilities in executive compensation, see also "*Matters to Be Acted Upon – Election of Directors*".

The Board has adopted a written charter setting forth the purposes, composition, authority and responsibilities of the Nominating and Corporate Governance Committee consistent with the Corporate Governance Guidelines in NP 58-201. The Nominating and Corporate Governance Committee also takes reasonable steps to evaluate and assess, on an annual basis, Directors' performance and effectiveness of the Board, committees of the Board, individual Board members, the Chair and committee chairs. This assessment addresses, among other things, individual Director independence and individual Director and overall Board skills and competencies. Corporate Governance Policies

Environmental Social Governance Policy

The Corporation believes that it has real responsibilities, both legal and ethical, to the communities in which it is active and is committed to having a positive social impact therein. In furtherance of this belief, the Corporation has adopted an Environmental Social Governance Policy (the "CSR" Policy), which governs its day-to-day obligations to its local communities and serve as a basis to integrate social responsibility and sustainability principles into the Corporation's business model and strategy in order to create long-term value for all interest groups and society as a whole. The CSR Policy incorporates standard objectives, which include minimizing environmental impact and fostering best practices of corporate governance to prioritize transparency, ethical business management and fiscal responsibility.

Disclosure Policy

The Board has adopted a Disclosure Policy to deal with the timely dissemination of all material information. The Disclosure Policy establishes consistent guidance for determining what information is material and how it is to be disclosed to avoid selective disclosure and to ensure wide dissemination. The Board, directly and through its committees, reviews and approves the contents of major disclosure documents, including annual and interim condensed consolidated financial statements, prospectuses, the annual information form, management's discussion and analysis, earnings news releases, and the management information circular. The Audit Committee is responsible for reviewing disclosure relating to the Corporation's financial reporting.

Diversity Policy

We believe that having a diverse Board can offer a breadth and depth of perspectives that enhance the Board's performance. We value diversity of abilities, experience, perspective, education, gender, background, race and national origin. Recommendations concerning Director nominees are expected to be based on merit and past performance as well as expected contribution to the Board's performance and, accordingly, diversity is taken into consideration. As of the date hereof, one (1) of nine (9) members on the Board, or approximately 11%, are female.

We have recruited and selected senior management candidates that represent a diversity of business understanding, personal attributes, abilities and experience. As of the date hereof, five (5) of 47 members of the Corporation's senior management, excluding our named executive officers, or approximately 11%, are female.

In furtherance of the Corporation's commitment to diversity on the Board and in senior management positions, following completion of our IPO, the Board adopted a Diversity Policy. In accordance with the Diversity Policy, the Nominating and Corporate Governance Committee will consider a number of factors in addition to skills, experience, independence and knowledge, including diversity criteria such as the level of representation of women, when seeking and considering new Board members for nomination or evaluating Board member nominees for re-election. Notwithstanding the foregoing, recommendations concerning Board nominees are, foremost, based on merit and performance, with due regard to the overall performance and effectiveness of the Board,

with diversity being taken into consideration, as it is beneficial that a diversity of backgrounds, views and experiences be present at the Board.

The Board will ensure compliance with and the effectiveness of the Diversity Policy by requiring that the Nominating and Corporate Governance Committee conduct annual assessments to consider the performance and effectiveness of the Board and senior management appointment and nomination processes at achieving the Corporation's diversity objectives and to consider and, if determined advisable, recommend to the Board for adoption, measurable objectives for achieving diversity on the Board and in senior management.

The Diversity Policy does not specify a numerical target for women members on the Board, nor does the Corporation maintain a specific numerical target in making executive officer appointments, as the Board believes its evaluation and nomination process is robust and, in practice, does consider and will result in gender diversity on the Board.

Similarly, the level of representation of women will continue to be considered by the Corporation, the Board and the Nominating and Corporate Governance Committee, among other factors, in the making of senior management appointments. In searches for new executive officers, the Nominating and Corporate Governance Committee will consider the level of diversity in management as one of several factors used in its search process. Notwithstanding the foregoing, all senior management appointments will always be based on merit, having regard to the requirements of the Corporation.

Insider Trading Policy

The Corporation has adopted an Insider Trading Policy. All of the Directors, officers and employees of the Corporation are subject to the Insider Trading Policy, which prohibits trading in the Corporation's securities while in possession of material undisclosed information about the Corporation. Under the Insider Trading Policy, such individuals are also prohibited from entering into certain types of hedging transactions involving the securities of the Corporation, such as short sales, "puts" and "calls". In addition to the imposition of black-out periods, in order to avoid any trade in securities of the Corporation that may contravene or be perceived to contravene applicable securities laws outside of such black-out periods, the Directors, officers and certain employees of the Corporation are required to provide notice of and obtain written pre-clearance for any proposed trade of securities of the Corporation before effecting the trade.

Majority Voting Policy

The Corporation currently does not have a majority voting policy as the Corporation is a "majority controlled" corporation as that term is defined in section 461.3 of the Toronto Stock Exchange Corporation Manual. Accordingly, the Corporation is relying on the exemption from the requirement to have a majority voting policy as Alpha Holdings beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 50% or more of the voting rights of the Common Shares for the election of the Corporation's Directors. It is the determination by the Board that its evaluation and nomination process adequately address the Board composition. As a controlling Shareholder with a majority of the voting Common Shares, Alpha Holdings will necessarily cast a majority of the votes for the election of the Corporation's Directors. If, at any time in the future, the Corporation ceases to be a "majority controlled" corporation, the Board intends to adopt a majority voting policy in compliance with the requirements of the TSX.

Whistleblowing Policy

The Corporation has adopted a Whistleblowing Policy (the “**Whistleblowing Policy**”). The Whistleblowing Policy is intended to enable employees, officers and Directors of the Corporation, as well as other stakeholders, to raise their concerns regarding the Corporation’s accounting, internal accounting controls or auditing matters.

In order to ensure that violations or suspected violations can be reported on a confidential basis, free from discrimination, retaliation or harassment, anonymously or otherwise, the Whistleblowing Policy contains procedures that are aimed to facilitate confidential, anonymous submissions by the Corporation’s employees, officers and Directors. The Corporation maintains a third-party ethics hotline allowing its employees to report (with an option to do so on an anonymous basis) any behavior or occurrence that violates the principals set out in the Code of Conduct. The Whistleblowing Policy contains instructions The Audit Committee is responsible for administering this policy.

Excluded from insurance coverage are illegal acts, acts which result in personal profit and certain other acts.

The Corporate Secretary, his or her designate, or any other person the Board requests shall act as secretary of Board meetings. Minutes of Board meetings shall be recorded and maintained by the Corporate Secretary and subsequently presented to the Board for approval.

Meetings without Management

The independent members of the Board shall hold regularly scheduled meetings, or portions of regularly scheduled meetings, at which non-independent directors and members of management are not present.

Directors' Responsibilities

Each director is expected to attend all meetings of the Board and any committee of which he or she is a member. Directors are expected to have read and considered the materials sent to them in advance of each meeting and to actively participate in the meetings.

Access to Management and Outside Advisors

The Board shall have unrestricted access to management and employees of the Company. The Board shall have the authority to retain and terminate external legal counsel, consultants or other advisors to assist it in fulfilling its responsibilities and to set and pay the respective reasonable compensation of these advisors without consulting or obtaining the approval of any officer of the Company. The Company shall provide appropriate funding, as determined by the Board, for the services of these advisors.

Service on Other Boards

Directors may serve on the boards of other public companies so long as these commitments do not materially interfere and are compatible with their ability to fulfill their duties as a member of the Board. Directors must advise the Chair and obtain written approval of the Nominating and Corporate Governance Committee in advance of accepting an invitation to serve on the board of another public company. Without specific approval from the Nominating and Corporate Governance Committee, no director may serve on more than five public company boards (including the Company's Board) and no member of the Audit Committee may serve on more than three public company audit committees (including the Company's Audit Committee). In addition, directors who also serve as CEOs or in equivalent positions generally should not serve on more than two public company boards, including the Company's Board, in addition to their employer's board.
